Dear «Sig1»

**LOWER KIRKLINGTON ROAD, SOUTHWELL - INSTALLATION OF ZEBRA CROSSING
PUBLIC CONSULTATION**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council is proposing to install a new Zebra crossing on Lower Kirklington Road, Southwell.

The proposed zebra crossing will be located approximately 14 metres north west of its junction with Burgage. The crossing will have a controlled area, indicated by zig-zag markings, along the carriageway where parking and loading will be prohibited. The location of the Zebra crossing is shown on the attached plan, TP2050503/02.

As required under Section 23 of the Road Traffic Regulation Act 1984, I hereby enclose for your attention the statutory public notice stating the County Council's intention to introduce the Zebra crossing on Lower Kirklington Road.

Before proceeding further with the proposed restrictions, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by 26th August 2020.

All comments/objections should be sent to either the e-mail address or postal address below.

Yours «sig2»
