Dear «sig1»

MAGENTA WAY, STOKE BARDOLPH
PROPOSED WAITING AND STOPPING RESTRICTIONS
PUBLIC CONSULTATION (TRO 7243)

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce new waiting and stopping restrictions on Magenta Way to both sides of the road from its junction with Trent Valley Road (A612) to the boundary with No. 5 Magenta Way. The restrictions are being proposed to help make it safer for pupils attending the new school on the south-west side of Magenta Way.

The proposed restrictions consist of the following:-

- Double yellow lines (no waiting at any time) on the north-east side of the road and to either side of the school premises.
- School keep clear markings (no stopping on Monday to Friday between 8am and 4.30pm) outside the school to allow an unobstructed route for pedestrians, especially school children, to cross the road.
- Bus stop clearway (no stopping, except buses, at all times) to enable the new bus service, that will be serving the new housing development, to stop in the new bus stop lay-by.

The proposals are shown on the enclosed plan and notice.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **18th August 2021**.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
