

**The Nottinghamshire County Council (Main Street and Spring Lane,
Lambley)(Prohibition of Waiting) Traffic Regulation Order 2020 (7233)**

Statement of Reasons

The proposed double yellow lines are being introduced to remove parked vehicles from the junction of Main Street/Spring Lane and Catfoot Lane. The proposed double yellow lines are an extension to the existing lines on Main Street and Spring Lane. The measures are to keep the area around the school entrance clear of parked vehicles to help make the area safer for children attending the school. The number of pupils attending the school on Catfoot Lane is expected to increase with the resultant increase in cars wanting to park in the area.
