Dear «sig1»

**JUNCTION OF SPRING LANE/MAIN STREET AND CATFOOT LANE, LAMBLEY
PROPOSED NO WAITING AT ANY TIME RESTRICTIONS (DOUBLE YELLOW LINES)
(TRO 7233) - PUBLIC CONSULTATION**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce double yellow lines (no waiting at any time) on Main Street and Spring Lane in the vicinity of the junction with Catfoot Lane. The restrictions would extend the existing double yellow lines to both sides of Catfoot Lane.

The proposed restrictions are intended to make the junction safer by removing parked vehicles from the bend on the Spring Lane approach and from the entrance/exit to The Lambley car park. The measures would help ensure that school children can cross the road without being obstructed by parked vehicles. The number of children attending the school is expected to increase and with it the number of cars parking around the school at the beginning and end of the school day.

The details of the proposals are shown on the enclosed plan and notice.

Before proceeding with this consultation, I wish to consider any views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **7th December 2020**.
