The parking restrictions are being proposed to remove parked vehicles from Lingwood Lane to help ensure that the local bus is not obstructed by inconsiderately parked vehicles, especially during the busy beginning and end of the school day. The restrictions at the junction with Main Street will help give better visibility for vehicles turning in and out of Lingwood Lane and keep the junction clear for pedestrians to cross the road.

Written objections (stating grounds & quoting ref. 7258) must be received by me by the **25 November 2022**.
