Dear «sig1»

MANSFIELD ROAD, FARNSFIELD - PROPOSED 50MPH SPEED LIMIT (TRO 3289)
PUBLIC ADVERT

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce a 50mph speed limit on Mansfield Road in Farnsfield. The proposed 50mph speed limit would start from the Old Rufford Road (A614) roundabout, which currently has a speed limit of 50mph, and extend to the site of the existing Farnsfield village sign. The start of the existing 30mph speed limit would also be moved to the site of the village sign, a point where the signs will be clearly visible and at the start of the bends at the entrance to the village. The new sign position will encourage more drivers to slow down as the character of the road changes after this point.

The signing works for the proposed speed limit would mean removing the existing 50mph/National Speed Limit signs from near the A614 roundabout, re-siting of the existing 30mph signs and replacing the existing National Speed Limit signs with 50mph signs. There will be smaller 50mph repeater sign placed at intervals along Mansfield Road.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time.

Any observations on these proposals should reach me in writing, either by letter or email, by **Friday 21st December 2018**.

Yours «sig11»
