Via East Midlands Ltd, working on behalf of Nottinghamshire County Council is proposing to install a new Puffin crossing on Newark Road, Tuxford.

The proposed Puffin crossing will be located approximately 130 metres south east of the junction with Market Place. The crossing will have a controlled area, indicated by zig-zag markings, along the carriageway where parking and loading will be prohibited. As required under Section 23 of the Road Traffic Regulation Act 1984, I hereby enclose for your attention the statutory public notice stating the County Council's intention to introduce the Puffin crossing on Newark Road.

Before proceeding further with the proposed restrictions, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **17th March 2019**.

All comments/objections should be sent to either the e-mail address or postal address below.

Yours
