Dear Sir / Madam,

**NEWARK SHOWGROUND, NEWARK – PROPOSED ENFORCABLE BUS STOP CLEARWAY –  
NO STOPPING AT ANY TIME, EXCEPT BUSES – STAGE 2 CONSULTATION**

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Concerns have been raised regarding inconsiderate and obstructive parking at bus Stop NS1108. To address these concerns, it is proposed to install a new enforceable bus stop clearways to prohibit other vehicles from stopping or waiting in the stop at any time.

Further to the stage 1 consultation letter of 11<sup>th</sup> February 2025, the next stage of the consultation is to publicly advertise the scheme. The advert will be published online (linked via the QR code below) and notices will be fixed on site. A plan showing the extents of the proposed restrictions is attached (Drawing Number H/JC/4857/01) along with a copy of the site notice. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any objections to the proposals, specifying the grounds on which they are made, should be sent in writing before the **8<sup>th</sup> April 2025**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.
