Dear Sir / Madam,

**ORDSALL ROAD, RETFORD – PROPOSED ENFORCEABLE BUS STOP CLEARWAYS AND
FORMALISATION – NO STOPPING AT ANY TIME, EXCEPT BUSES – PUBLIC ADVERT**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, proposes to make improvements at the following stops as shown on the attached plan:

No Stopping At Any Time, except buses - 19 metre clearway

- Ordsall Road, Retford (BA0115)

No Stopping At Any Time, except buses - 19 metre clearway and installation of a bus stop pole and raised kerbs:

- Ordsall Road, Retford (BA0116)

Concerns have been raised about the accessibility of the bus stops for pedestrians. It is therefore proposed to install a new enforceable bus stop clearway, which will prohibit other vehicles from parking or waiting in the bus stop at any time; and an introduction of a formal bus stop pole and raised kerbs. This will be clearly identified with new road markings and signage. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **14th January 2026**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.
