Dear Sir / Madam,

**ORDSALL ROAD, RETFORD – BUS STOP FORMALISATION – PUBLIC ADVERT**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, proposes to create a new enforceable bus stop clearway and formalisation of the bus stop at the following stops, and as shown on the attached plan:

Installation of a bus stop pole and raised kerbs:

- Ordsall Road, Retford (BA0924)

Concerns have been raised about the accessibility of the bus stops for pedestrians. It is therefore proposed to install a new enforceable bus stop clearway, which will prohibit other vehicles from parking or waiting in the bus stop at any time; and an introduction of a formal bus stop pole and raised kerbs. The main benefits of formalised bus stops and raised kerbs are to:

- Help the bus board disabled passengers and pushchair users more easily;
- Allows passengers to easily identify where they should wait;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **14<sup>th</sup> January 2026**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.
