

**PUBLIC TRANSPORT IMPROVEMENTS  
ORDSALL ROAD, RETFORD  
(Bus Stop Reference: BA0924)**

As part of Nottinghamshire County Council's on-going commitment to improve public transport in the County, we are making it easier for buses to stop in Retford and are proposing that the location below is now being formalised.

The raised kerbing will make the bus stop more accessible for those with mobility issues. Along with the bus stop pole, it will clearly indicate where the public should wait for the bus and where the bus should pull up in order to load and unload passengers.

The work proposed will, in summary, consist of:

**Bus stop reference: BA0924** - Installation of a bus stop pole and raised kerb
