Dear Sir / Madam,

**THE WHARF, NEWARK-ON-TRENT – PROPOSED SIGNAGE CHANGE – LOCAL BUS
PARKING ONLY – PUBLIC ADVERT**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, proposes to create 1 bus parking signage change at the following stop, NS0984, as shown on the attached plan:-

Bus Stand – No stopping 7am - 7pm except local buses

- The Wharf, Newark-on-Trent (NS0984)

Concerns have been raised about the capacity issues at Newark Bus Station, and buses being unable to properly use the stop due to parked buses. It is therefore proposed to install 1 bus parking signage change, which will prohibit all vehicles except local buses from parking or waiting in the bus stand from 7am till 7pm. This will be clearly identified with new signage. The main benefits of a bus stand signage is to:

- Ease congestion in Newark Bus Station;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any objections to the proposals, specifying the grounds on which they are made, should be sent in writing before **4th November 2025** using the e-mail or postal address at the bottom of the letter. Any details you provide may be shared with Nottinghamshire County Council as appropriate.
