The proposed parking restrictions on Nordean Road and Somersby Road are intended to keep the junction clear of parked vehicles to allow buses to turn into or out of Nordean Road. The restrictions will give better visibility for all users of the junction and allow a safer crossing point for pedestrians. The bus stop clearways will mean that the bus can pull up to the kerb to allow passengers to alight.

Written objections (stating grounds and quoting ref. 7201) must be received by me by the **26th day of November 2018.**
