Dear «sig1»

NORDEAN ROAD AND SOMERSBY ROAD, WOODTHORPE – NO WAITING AT ANY TIME RESTRICTIONS (DOUBLE YELLOW LINES) AND BUS STOP CLEARWAYS - TRO 7201

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce no waiting at any time restrictions (double yellow lines) to the junction of Nordean Road and Somersby Road. The restrictions are intended to keep the junction clear of parked vehicles to ensure that there is enough room for buses to turn into or out of Nordean Road. The restrictions will give better visibility for all users of the junction and allow a safer crossing point for pedestrians. The restrictions will include an area outside the shops, opposite Nordean Road, to ensure that there is enough room for the bus to manoeuvre.

In addition to the parking restrictions it is proposed to introduce bus stop clearways to the bus stops outside Nordean Court on Nordean Road and outside Newstead Court on Somersby Road. The clearways will prohibit stopping by all vehicles, except buses, at all times. The bus stop clearways will mean that a bus can pull up to the kerb to allow passengers to board and alight. On Somersby Road the existing clearway markings will be re-newed and a sign added to the stop.

Before proceeding further with the proposed restrictions, I wish to consider the views of residents and organisations who may be interested in this matter. Suggestions will be incorporated in the proposal wherever appropriate and economically feasible. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **26th November 2018**.

Yours «sig2»
