Dear «Sig1»

**NOTTINGHAM ROAD AND UNNAMED ROAD, BARTON IN FABIS –
PROPOSED PROHIBITION OF TURNING RIGHT AND TURNING LEFT
PUBLIC CONSULTATION – TRO 8355**

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. As part of the new development, to the south of Clifton, it is proposed to introduce a left and right turn prohibition at the new staggered junction on Nottingham Road. The proposals would help to ensure that the traffic flows more freely through the junction by removing all unnecessary turning manoeuvres.

The details of the proposal can be found on drawing number H/JAB/4188/01 and on the enclosed notice. Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter.

Any observations on these proposals should reach me in writing, either by letter or email, by **3rd March 2023**. If your comments are in the form of an objection to the proposals please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
