Date: 28th May 2019

Dear

PARKING PLACES (TRO 5268), TECHNOLOGY DRIVE, BEESTON

PUBLIC ADVERT

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. The County Council has received requests to provide short-stay parking adjacent to the west-bound platform at Beeston Train Station. The short-stay bays will offer level / step-free access to the platform for car passengers being dropped off or collected here.

It is therefore proposed to introduce parking bays for on Technology Drive, Beeston; as shown on drawing number H/MN/3107/01. Vehicles would be able to park for 30 minutes (No Return within 1 Hour). The restrictions would be in force at all times.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. Any observations on these proposals should reach me in writing, either by letter or email, by **28th June 2019**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Yours

Mark Newton
