Dear

PERMANENT 40 MPH SPEED LIMIT (TRO 3351)

A616 OLLERTON ROAD, LITTLE CARLTON AND SOUTH MUSKHAM.

PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services. After a successful 40mph speed limit trial on the A616 Ollerton Road, Little Carlton and South Muskham Nottinghamshire County Council proposes to make a permanent order to that effect. It is proposed to introduce a 40mph Speed Limit (previously 50 mph) from a point 20 metres south-east of its junction with Ollerton Road, Little Carlton (Western Arm) to a point 25 metres west of its roundabout junction with B6325 Great North Road, Little Carlton. The lower speed limit will help to improve road safety for pedestrians and road users.

The proposals will be advertised along with notices displayed on site. A plan showing the proposals (drawing number H/MN/3714/06) is attached along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **11th March 2022**. If your comments are in the form of an objection to the proposals please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/

Yours
