A616 BUDBY ROAD, CUCKNEY, NORTON, CUCKNEY ROAD, BUDBY AND WORKSOP ROAD, BUDBY, PERLETHORPE AND EDWINSTOWE

PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services. It is proposed to reduce the speed limit from 60 mph to 50 mph, along A616 from its junction with the A614 Ollerton Roundabout in a north-westerly direction to Budby and from Budby in a northerly and then westerly direction to Cuckney. The proposed 50mph speed limit will help to improve road safety around the bends and at the junctions and vehicle entrances along the A616.

The proposals will be advertised along with notices displayed on site. A plan showing the proposals (drawing number H/MN/3853/01) is attached along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **17th December 2021**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time. Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
