Dear «Sig1»

**MOUNT PLEASANT, CARLTON –  
PROPOSED REVISED DOUBLE YELLOW LINES (NO WAITING AT ANY TIME)  
PUBLIC CONSULTATION – TRO 7249A**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce additional double yellow lines (no waiting at any time) on Mount Pleasant. The extra lines would extend north from the boundary of No. 27 for approximately 11 metres (see enclosed plan). The scheme was previously advertised in December 2021. The additional restrictions are to help ensure that the refuse lorry can always turn around in order to empty the bins on Mount Pleasant.

The positions of the new revised restrictions are shown on the attached plan and notice.

Before proceeding further with the proposed revised double yellow lines, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **4<sup>th</sup> March 2022**.

All comments/objections should be sent to either the e-mail address or postal address below.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
