The double yellow lines are being introduced to remove parked vehicles from Mount Pleasant at its junction with Southdale Road. The main aim of the restrictions is to keep the road clear to allow the passage of larger vehicles, especially the refuse lorries. The additional double yellow lines to the north of number 27 are to help ensure that the refuse lorries can turn round.

Written objections (stating grounds and quoting ref. 7249A) must be received by me by the **4th March 2022**.
