Dear Sir / Madam,

NOTTINGHAM ROAD, GOTHAM - PROPOSED BUS STOP IMPROVEMENTS/CLEARWAY – PUBLIC ADVERT

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, proposes to create a new enforceable bus stop and install a new bus stop pole and clearway at the following stop, and as shown on the attached plan:-

No Stopping At Any Time, except buses - 19 metre clearway

- Nottingham Road, Gotham

Concerns have been raised about the accessibility of bus stops for pedestrians. It is therefore proposed to create a new enforceable bus stop and install a new bus stop pole and clearway, which will prohibit other vehicles from parking or waiting in the bus stop at any time. This will be clearly identified with new road markings and signage. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any objections should clearly state the reasons for the objections and should reach us in writing, either by letter or email, by **6th October 2025**. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/

Kind regards,

Improvements Design Team
