

PUBLIC TRANSPORT IMPROVEMENTS NOTTINGHAM ROAD, GOTHAM

As part of Nottinghamshire County Council's on-going commitment to improve public transport in the County, we are making it easier for buses to stop in Gotham and are proposing that the location below is utilised as a new bus stop area, which will be marked with an enforceable bus stop clearway and bus stop pole.

The clearway will prohibit all vehicles except buses from parking or waiting At Any Time in the bus stop area and will be clearly identified with new road markings and signage. As a result, the bus stop will be accessible for buses serving that stop during these times.

The work proposed will, in summary, consist of:

Installation of bus stop pole, clearway, paved area and raised kerbing

Written objections either by letter or email to tmconsultation@viaem.co.uk (stating grounds and quoting the stop reference number and road name) must be received by the **6th October 2025**. Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/.
