Dear

PROPOSED PARKING PLACES (TRO 3299)

STATION ROAD, LOWDHAM

PUBLIC ADVERT

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. The County Council has received requests to provide short-term parking on Station Road, Lowdham. It is therefore proposed to introduce a one-hour, limited-waiting parking bay outside Station News. The bay would be in operation Mon-Sat 8am-6pm; as shown on drawing number H/MN/3210/01. The proposed restriction will prevent this area from being occupied all day by a single vehicle and therefore provides opportunities for visitors and customers of local business to park for short periods. Overnight and on Sundays the bay would be available to all vehicles for unrestricted parking.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter.

Any observations on these proposals should reach me in writing, either by letter or email, by **4th October 2019**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Yours
