Dear

Proposed Parking Restrictions and Resident Parking Bay (TRO 7217)

Enderby Gardens, Henry Street, Larkspur Avenue and Monsell Drive, Redhill and Leivers Avenue, Arnold

PUBLIC ADVERT

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. Concerns have been raised about obstructive parking at the junctions of Enderby Gardens, Larkspur Avenue, Henry Street and Monsell Drive Redhill. This reduces visibility and access for drivers and pedestrians using the junctions. To help alleviate this issue it is proposed to introduce 'no waiting at any time' restrictions (double yellow lines) around the junctions as shown on drawing number H/MN/3229/01.

In addition, it is proposed to amend a parking bay in the "Smithy Crescent Area" residents parking scheme. The bay outside No 53 Leivers Avenue, Arnold is to be shortened by 6 metres to accommodate the new vehicular crossing.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter.

Any observations on these proposals should reach me in writing, either by letter or email, by **Friday 1st November 2019**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Yours
