Date: 14th May 2019

Dear

**PROPOSED PARKING RESTRICTIONS (SPRING LANE, GEDLING) (TRO 7211) AND
RELOCATION OF BUS STOPS INCLUDING INTRODUCTION OF BUS STOP CLEARWAYS.**

SPRING LANE, GEDLING

PUBLIC ADVERT

Via East Midlands Ltd, is working on behalf of Nottinghamshire County Council to deliver highway services in Nottinghamshire. To improve visitor access to Gedling Country Park the County Council proposes to relocate bus stops GE0670 and GE0683 closer to the park entrance. To protect these stops from obstruction by parked vehicles bus stop clearways will also be introduced at the stops. The clearways will prohibit other vehicles from parking or waiting in the bus stop at all times and will be clearly identified with new road markings and signage.

The County Council also proposes to introduce 'No Waiting At Any Time' restrictions (Double Yellow Lines) on Spring Lane to ensure visibility and access for drivers and pedestrians is maintained around the junction. The proposals are shown on the attached drawing H/MN/3100/01.

These changes in addition to ongoing proposals from Gedling Borough Council to improve access to the Country Park, which will also see an extension to the car parking facilities; providing approximately 100 additional parking spaces.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. Any observations on these proposals should reach me in writing, either by letter or email, by **7th June 2019**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Yours

Mark Newton
