Dear

Proposed Parking Restrictions (TRO 8320)

Nottingham South and Wilford Industrial Estate PUBLIC ADVERT

Via East Midlands Ltd, working on behalf of Nottinghamshire County has received requests from your local County Councillor and local businesses on Nottingham South and Wilford Industrial Estate, to address access problems caused by inconsiderate parking. As a result of the questionnaire that was sent out in December 2020 and the overall support of the introduction of parking restrictions, to help facilitate unobstructed access for vehicles entering and leaving premises on the industrial estate, it is therefore proposed to introduce 'No Waiting At Any Time' restrictions (Double Yellow Lines) around various junctions and pinch points around the industrial estate.

The proposals are shown on drawing number H/MN/3579/02. Before proceeding further, I wish to consider the views of, businesses and organisations who may be interested in this matter.

Any observations on these proposals should reach me in writing, either by letter or email, by **23rd April 2021**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/
