Dear

BROXTOWE BOROUGH – NUTHALL AREA - BUS STOP CLEARWAYS RELOCATION – NO STOPPING, EXCEPT BUSES

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to relocate the existing bus stop, clearway and raised kerb to the location shown below and is shown on the attached site notice:-

- Kimberley Road (BRO234) – adjacent to Edward Road - No Stopping At Any Time

The County Council works closely with all public transport operators across the County. At the location listed above, a highway safety review has been undertaken and concluded that the two bus stops can no longer be opposite one another. The relocation of both stops has been considered and NCC have concluded that BR0234 is the stop to be relocated as it can be relocated the shortest distance from its existing location.

Bus stop clearways are to be installed that prohibit other vehicles from parking or waiting in the bus stop at the times specified and these will be clearly identified with new road markings and signage. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any observations on these proposals should reach me in writing, either by letter or email, by **Wednesday 24th October 2018**. If your comments are in the form of an objection to the proposals please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Yours

Mark Newton
