Dear «sig1»

**ROADS OFF HURRICANE ROAD, LOVESEY AVENUE AND SHEPHERD STREET, HUCKNALL
PROPOSED 20MPH SPEED LIMIT ZONE (TRO 4262) - PUBLIC CONSULTATION**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce a 20mph speed limit zone on Hurricane Road, Lovesey Avenue, Shepherd Street and all roads off them.

The new 20mph speed limit zone is being introduced to reflect the built up nature of the new housing development. The roads within the development have been designed for a 20mph speed limit with traffic calming and additional signs to ensure that traffic keeps to the speed limit. The new speed limit will have zone entry signs at all entry points into the development. Currently there are zone entry signs on Lovesey Avenue and Shepherd Street.

Due to the restrictions imposed by the coronavirus measures the consultation documents can not currently be deposited at the local library or County Hall as the regulations require us to do. The Government have relaxed this requirement and so a full set of consultation documents can instead be viewed on either the Nottinghamshire County Council website or they can be sent to you by post or e-mail on request.

The roads included in the proposed 20mph speed limit zone are shown on the enclosed plan and notice.

Before proceeding further with the proposed 20mph speed limit zone, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **12th March 2021**.

If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/

Yours «sig2»

A handwritten signature in blue ink, appearing to read 'JAB', is written over a blue horizontal line.
