Dear «sig1»

**ROLLESTON DRIVE, ARNOLD**  
**PROPOSED BUS STOP BUILD OUT TO LAY-BY OUTSIDE SHOPS (No.s 52 – 70)**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to construct a build out at the existing bus stop (GE0384) located in the lay-by outside the shops, numbers 52 to 70, Rolleston Drive. The build out will be approximately 9.5 metres long (2 car lengths) and would replace the existing bus stop marking which is 19 metres long (3 - 4 cars long). The build out would be constructed of raised kerbs to allow the bus to pull up alongside to give level access, especially for wheelchair users and passengers with pushchairs. The build out will ensure that the bus will not be obstructed by other parked vehicles. The works are part of other measures being introduced as part of the new housing development located on the old depot site off Rolleston Drive.

Please find enclosed a copy of the plans showing the location of the new build out and the proposed double yellow lines and bus stop clearways located elsewhere on Rolleston Drive.

Before proceeding further with the proposed bus stop build out, I wish to consider the views of residents and organisations who may be interested in this matter. Any observations on these proposals should reach me by **5<sup>th</sup> November 2021**.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: [www.viaem.co.uk/privacy-notice-for-the-public/](http://www.viaem.co.uk/privacy-notice-for-the-public/)
