Dear

MERE WAY, RUDDINGTON - PROPOSED BUS STOP CLEARWAYS – NO STOPPING, AT ANY TIME, EXCEPT BUSES

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, proposes to create enforceable bus stop clearways at the following stops and are shown on the attached drawing H/SLW/4520/01: -

No Stopping At Any Time, except buses

- Mere Way Ruddington (RU 0860) (19 metre clearway)
- Mere Way Ruddington (RU 0861) (19 metre clearway)

The County Council works closely with all public transport operators across the County to identify bus stops that suffer from inconsiderate parking. At the locations listed above, bus stop clearways are to be installed that prohibit other vehicles from parking or waiting in the bus stop at the times specified and these will be clearly identified with new road markings and signage. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Any observations on these proposals should reach me in writing, either by letter or email, by **8th January 2024**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/

Yours
