Dear

RYTON STREET, WORKSOP – PARKING PLACES – PUBLIC ADVERT – TRO 1232

Via East Midlands is working on behalf of Nottinghamshire County Council to deliver highway services. It is proposed that due to there currently being no provisions for loading for Businesses on Ryton Street, that 46 metres of Special Access Permit holder parking be converted into Loading Bays.

The proposals will be advertised in the Nottingham Post on Friday 8th February 2019 with notices displayed on site. A plan showing the extents of the proposals is attached (Drawing Number H/JE/3041/001) along with a copy of the site notice.

Before proceeding further with the proposals, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time.

Any observations on these proposals should reach me, in writing, either by letter or email, by **Friday 8th March 2019**.

If you have any queries on the proposed restrictions please contact Jamie Earls on 0115 9772718.

Yours sincerley
