

**The Nottinghamshire County Council (Mansfield Road (B6030), Clipstone and King's
Clipstone) (50 M.P.H. Speed Limit) Order 2021 (3308)**

Statement of Reasons

The lower speed limit has replaced the previous National Speed Limit (60mph) between Clipstone and King's Clipstone. The lower speed limit will help to reduce the speed of the traffic approaching the existing 30mph speed limits and approaching the Cavendish Way roundabout.
