

The Nottinghamshire County Council (B6463 Styrrup Road Oldcotes) (Restricted Road and 30mph Speed Limit) Order 2020 (1243)

STATEMENT OF REASONS

The speed limit is consistent with the existing 30mph speed limit on Blyth Road. The new speed limit means that all the built up parts of Oldcotes are in a 30mph speed limit. The reduced speed limit will help improve road safety for pedestrians and road users.
