

**The Nottinghamshire County Council (Central Avenue, Derbyshire Lane
and Yorke Street, Hucknall)(Prohibition of Waiting) Traffic Regulation
Order 2021 (4267) – PART A**

Statement of Reasons

The restrictions have been introduced as the first part of works to construct build outs and widened pedestrian refuges at the junction of Derbyshire Lane/Central Avenue/Yorke Street. The new restrictions will improve visibility for vehicles turning out of Derbyshire Lane. Additional restrictions will be added to Yorke Street (Part B) when the construction works are complete. The extended restrictions on Derbyshire Lane are to ensure that no vehicles park in front of the new bus stop clearway.
