

**The Nottinghamshire County Council (Spring Lane, Lambley and
Mapperley)(30 M.P.H. Speed Limit) Restricted Road
Order 2021 (7228)**

Statement of Reasons

The new speed limit has replaced the previous 40mph speed limit. The current speed limit would remain at 40mph between near Hartland Drive and Lambley. The lower speed limit covers all the residential roads off Spring Lane and will give more time for drivers to react to turning vehicles. The lower speed limit will bring benefits to the vulnerable users of Spring Lane, i.e cyclists, horse riders and pedestrians.
