The 30 mph speed limit has been extended northwards by approximately 170 metres. The new speed limit includes the new access road (Riverdale Road) into the new housing development. The speed limit will help to ensure that vehicles entering the built up area are travelling at a lower speed. The road north of the new speed limit has a system of street lights and in order to keep the road at the National Speed Limit of 60mph a derestriction speed limit order has been introduced along this length of road.

**THE ORDER WILL COME INTO FORCE ON THE 23rd DAY OF SEPTEMBER 2021**
