

The Nottinghamshire County Council (Rose Way and Wheatcroft Drive, Edwalton) (Prohibition of Waiting and No Stopping on Entrance Clearways) Traffic Regulation Order 2020 (8298)

Statement of Reasons

As part of the development works at Sharphill Primary School on Rose Way, Edwalton, Via East Midlands, working on behalf of the County Council, has introduced a school safety zone. This consists of a package of measures including warning signs, pedestrian guardrail, bollards, waiting and stopping restrictions. The new measures include no waiting at any time (Double Yellow Lines) parking restrictions on Rose Way, Wheatcroft Drive and the new school vehicular entrance. No waiting on Monday to Friday between 8am and 4.30pm have been introduced outside the houses on Rose Way to ensure that the road is clear during the school day. These restrictions will help ensure that the junctions and bends in the vicinity of the new school are kept clear of parked vehicles. Outside the school pedestrian entrances School Keep Clear markings have been installed. The restrictions will prohibit vehicles from stopping on Monday to Friday between 8am and 4.30pm. This will help to keep the road outside the school clear of vehicles during the school day making it safer for pupils attending the school. The restrictions will also promote the safe and efficient movement of people and vehicles on the Highway by ensuring that key junctions, crossing points and bends are kept free of parked vehicles at all times.
