

**The Nottinghamshire County Council (Gateford Road, Worksop) (40 M.P.H. Speed Limit)
Order 2022 (1251)**

Statement of Reason

The 40mph speed limit has been extended north-westwards to the Gateford Roundabout. The new speed limit includes new pedestrian refuges along Gateford Road and an access road into the new housing development. The speed limit helps ensure that vehicles entering the built-up area are travelling at a lower speed.
