

**The Nottinghamshire County Council (Shireoaks Common, Shireoaks) (40mph Speed Limit)
Order 2022 (1254)**

Statement of Reason

The existing 60mph speed limit has been changed to 40mph between the A57 roundabout and the 30mph speed limit on Shireoaks Common, Shireoak.

The 40mph speed limit will help ensure that vehicles entering the built-up area are travelling at a lower speed.
