

The Nottinghamshire County Council (Admiral Close, Cinnabar Way, Peacock Gardens, Sheepwash Way and Skipper Close, East Leake) (Prohibition and Restriction of Waiting and Entrance Clearways) Traffic Regulation Order 2022 (8343)

Statement of Reasons

The proposed parking restrictions are intended to keep the road clear of parked vehicles to help make the road safer for the users of the proposed new school to be located off the end of Sheepwash Way. The restrictions will help ensure that pedestrians can cross the road without having to negotiate parked vehicles. The school keep clear markings are located across the new school entrance and are intended to prohibit vehicles from stopping/parking during the school day.
