Dear «sig1»

SHELFORD ROAD, GEDLING

BUS STOP CLEARWAYS – NO STOPPING AT ANY TIME , EXCEPT BUSES.

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce new bus stop clearways (no stopping at any time, except buses) at the locations listed below:-

- Bus stop GE0527 – Shelford Road – adjacent to the junction with Keyworth Road
- Bus stop GE0529 – Shelford Road – adjacent to the junction with County Road

Parking at bus stops causes accessibility issues and can delay bus services as passengers have to walk out into the road to board. The above locations have been identified as suitable for accessibility improvements, including enforceable bus stop clearways, in order to promote sustainable travel. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users;
- Ease congestion as a correctly aligned bus will not block the road for other road users;
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road;
- Ensure that bus services operate on time and are not unnecessarily delayed.

Before proceeding further with the bus stop clearways, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **8th February 2021**.

All comments/objection should be sent to either the e-mail address or postal address below.

Yours «sig2»
