Dear «sig1»

**ROAD BETWEEN SOUTHWELL AND A617, UPTON AND AVERHAM –
PROPOSED 50MPH SPEED LIMIT - (3301) – PUBLIC CONSULTATION**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce a 50mph speed limit on the road between Southwell and the junction with the A617 (Upton Road, Southwell Road and Main Street, Upton. Main Road, Averham). The new speed limit would replace the existing National Speed Limit (60mph). The new limit would be in 2 sections between Southwell and Upton and between Upton and the A617 junction. The current speed limit in Upton would remain at 30mph.

The proposed speed limit is being introduced in response to requests and reflects the recommendations made in the A and B Road Speed Limit Review which produced a recommendation for all the A and B roads in Nottinghamshire. The new speed limit would be consistent with the existing 50mph speed limits on the A617 and on the Nottingham Road to the south of Southwell.

Before proceeding further, I wish to consider the views of residents, businesses and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me in writing, either by letter (address at bottom of letter) or email, by **30th September 2019**.

Yours «sig2»
