

**The Nottinghamshire County Council (Spring Lane, Lambley and
Mapperley)(30 M.P.H. Speed Limit) Restricted Road
Order 2021 (7228)**

NOTICE IS HEREBY GIVEN that the Nottinghamshire County Council proposes to make an Order under the Road Traffic Regulation Act 1984, as amended, the effects of which will be to roads in Lambley and Mapperley in the Borough of Gedling:-

The following length of road shall be a **restricted road (30mph)**:-

Spring Lane

from a point 42 metres (as measured along the centre line) south-east of its junction with Mapperley Plains (the outer perimeter of the mini-roundabout) in a south-easterly direction to a point 17 metres east of its junction with Hartland Drive.

As a result of the impact of COVID-19 and in accordance with Public Health England's advice on social distancing and avoiding non-essential trips, public buildings such as County Hall and libraries are closed or if reopened will have restrictions in place.

In order to make relevant documents available for inspection they can either be:

- (a) Viewed online by visiting the County Council's website (consult.nottinghamshire.gov.uk)
- (b) By writing to the address below or by emailing tmconsultation@viaem.co.uk to request a copy and one will be sent out either via email or post if address provided.

The proposed speed limit would replace the existing 40mph speed limit. The current speed limit would remain at 40mph between near Hartland Drive and Lambley. The lower speed limit would cover all the residential roads off Spring Lane and would give more time for drivers to react to turning vehicles. The lower speed limit would bring benefits to the vulnerable users of Spring Lane, i.e cyclists, horse riders and pedestrians.

The Written objections (stating grounds and quoting ref. 7228) must be received by me by the **26th day of April 2021**.
