Dear «Sig1»

**SPRING LANE, LAMBLEY AND MAPPERLEY - PROPOSED 30MPH SPEED LIMIT
PUBLIC CONSULTATION – TRO 7228**

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, is proposing to introduce a 30mph speed limit on Spring Lane, Lambley/Mapperley between its junction with Mapperley Plains and near its junction with Hartland Drive. The proposed speed limit would replace the existing 40mph speed limit. The current speed limit would remain at 40mph between near Hartland Drive and Lambley. The lower speed limit would cover all the residential roads off Spring Lane and would give more time for drivers to react to turning vehicles. The lower speed limit would bring benefits to the vulnerable users of Spring Lane, i.e cyclists, horse riders and pedestrians.

The proposals will be advertised and notices displayed on site. A plan showing the proposals (drawing number H/JAB/3678/01) is attached along with a copy of the site notice. The introduction of the lower speed limit would result in the removal of all the existing 40mph speed limit signs and all the 30/40 mph signs from the side roads off Spring Lane. The speed limit would be 30mph by virtue of the existing street light system.

Before proceeding further with the proposed 30mph speed limit, I wish to consider the views of residents and organisations who may be interested in this matter. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by **26th April 2021**.

All comments/objections should be sent to either the e-mail address or postal address below.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
