Date: 18th September 2020

Dear Sir/Madam

Proposed Parking Restrictions (TRO 4256)

DAVIES AVENUE / CARSIC LANE JUNCTION, SUTTON-IN-ASHFIELD – PUBLIC ADVERT

Via East Midlands Ltd is working on behalf of Nottinghamshire County Council to deliver highway services. It is proposed that double yellow lines (No Waiting at Any Time) be installed at the above location.

These parking restrictions are required to address issues with obstructive parking which is restricting visibility and impeding the movement of pedestrians and vehicles at this location. The proposals will be advertised and notices displayed on site. A plan showing the proposals (drawing number H/GC/3397/01) is attached, along with a copy of the site notice.

Any observations on these proposals should reach me in writing, either by letter or email, by **22nd October 2020**. If your comments are in the form of an objection to the proposals, please clearly state this and the reasons for your objection. If the objection cannot be resolved, it will be reported through the County Council's procedures at the appropriate time. Any details you provide will be shared with Nottinghamshire County Council as appropriate.

Yours faithfully
