

The Nottinghamshire County Council (Shireoaks Common, Shireoaks) (40mph Speed Limit)
Order 2020 (1254)

Statement of Reason

It is proposed to change the existing 60mph speed limit to 40mph between the A57 roundabout and the current 30mph speed limit on Shireoaks Common, Shireoak.

The proposed 40mph speed limit will help ensure that vehicles entering the built-up area are travelling at a lower speed.
