Dear Sir /Madame,

**WESTGATE AND NORFOLK STREET, WORKSOP
TRAFFIC CALMING - PUBLIC CONSULTATION**

Via East Midlands, working on behalf of Nottinghamshire County Council, is consulting on installing traffic calming features on Westgate and Norfolk Street, Worksop.

The background to the scheme is that during the period 1/1/17 to 30/9/20 there have been a total of 4 road injury accidents in this area. Nottinghamshire County Council wish to reduce the number of incidents involving vulnerable road users. As a result, we are proposing to install six sets of speed cushions on Westgate and three road humps on Norfolk Street, specifically sinusoidal profile road humps. These would be 75mm high and 4m long in the direction of travel. As required under Section 90A - 90I of the Highways Act 1980, please find enclosed a copy of the Notice and the Proposed Layout drawing TP2250309/01 which shows the location of proposed speed cushions and road humps, which will not affect the existing parking.

If you have any comments or objections on the proposed traffic calming, then please contact us in writing using either the postal or e-mail address below. If your comments are in the form of an objection to the proposals and if they cannot be resolved, they will be reported through the County Council's procedures at the appropriate time. Any observations on these proposals should reach me by 21st November 2022.

Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice: www.viaem.co.uk/privacy-notice-for-the-public/.

Yours faithfully
