Dear Sir/Madam

FAIRWAY, KEYWORTH, - PROPOSED NEW BUS STOP AND BUS STOP CLEARWAY – NO STOPPING AT ANY TIME, EXCEPT BUSES – PUBLIC ADVERT

Via East Midlands Ltd, working on behalf of Nottinghamshire County Council, proposes to formerly recognise one bus stop and create one new enforceable bus stop clearway at the following location, and as shown on the attached plan: -

No Stopping at Any Time, except buses: -
RU0864 – 19 metre bus stop clearway

Concerns have been raised about the lack of a recognised bus stop which limits accessibility for bus users. It is therefore proposed to install a new bus stop pole and new bus stop clearway, which will prohibit other vehicles from parking or waiting in the bus stop at any time. This will be clearly identified with new road markings and signage. The main benefits of bus stop clearways are to:

- Help the bus align with the kerb to enable better access for disabled passengers and pushchair users.
- Ease congestion as a correctly aligned bus will not block the road for other road users.
- Ensure that bus drivers discharge their duty to drop passengers off on the kerb and not on the road.
- Ensure that bus services operate on time and are not unnecessarily delayed.

The advert will be published online (linked via the QR code below) and notices will be fixed on site.

Any objections to the proposals, specifying the grounds on which they are made, should be sent in writing before **18th May 2026** using the e-mail or postal address at the bottom of the letter. Any details you provide may be shared with Nottinghamshire County Council as appropriate. If you'd like to find out more about how we use your data, please see our Privacy Notice:
