

**Bus Stop Clearways – Victoria Street, Netherfield
(GE0139 & GE0140)
No stopping at any time, except buses.**

The County Council is to install new bus stop clearway markings and signs on Victoria Street near the junction with Kingsley Drive. The clearways would prohibit stopping by all vehicles, except buses and would be in force 24 hours a day 7 days a week. The location of the new markings are shown on the drawing below.

The clearways will help to ensure that the bus has unobstructed access to the raised kerbs allowing wheelchair users, the elderly and parents with pushchairs, level access onto and off the bus. A correctly aligned bus will not block the road for other road users and will help ease congestion.

Any comments on the new restriction must be received in writing by **27th February 2018**.
