

THE NOTTINGHAMSHIRE COUNTY COUNCIL
(CONISTON ROAD, KENDAL CLOSE AND KESWICK ROAD WORKSOP)
(20MPH SPEED LIMIT) ORDER 2023 (1267)

Statement of Reasons

The lower speed limit has been introduced to change the existing 30mph speed limit to 20mph on the above roads in Worksop. The new 20mph speed limit will help ensure that vehicles entering this housing area are travelling at a lower speed and improves the perception of road safety.
